

## Information file to order a book

### "Danycan, a safeguarded witness of the French navigators' offensive"

Legal deposit performed on the 1st of february 2022

The objectives of the author are:

- Place the history of Danycan in the context of the offensive of the French pioneers of the R.O.R.C races,
- Establish a synthesis of french post-war results before 1964,
- Propose a repertoire on the fate of the 400 classic yachts that have raced with his own,
- Evoke his apprenticeship in sailing, lulled by the productions of the heirs of this period,

Book cover photos : N. Dickès et A. Milbéo

About 240 pages of french body text and 60 pages of annexes, nearly 500 illustrations, all accompanied by an index of almost 700 boat names – there will have a leaflet of 10 pages in english as a summary of the book.

Undoubtedly, this book will interest lovers of traditional sailboats, restoration of wooden boats or history of the practice of yachting. It will be sold for 32 euros during the current subscription period and 39 euros after the legal deposit excluding shipping costs.
